

CLEANMAX 257

Product code: 262100401

Cleaner for all types of surfaces

This product is an active degreaser based on a water solution with tension active agents with degreasing properties.

Applications

Suitable for all types of paint surfaces dirty of dust, grease such as industrial vehicles, trains, trucks, cars, parts and components

Performance Level

Meets MIL-C-25769-G

Typical Performance Data

Typical	Value
Nature	Concentrated water solution
Aspect	Foam liquid
Colour	Light green
Density @ 20 °C, gr/ml	1.04
pH (solution at 10%)	9.8
Attack (solution at 25% in water) <ul style="list-style-type: none">• Iron• Aluminium and alloys	Nil Nil
Flash point	Non flammable

All performance data on this Technical Data Sheet are indicative only and can vary during production.

Use

It can be applied by dipping, spraying, brushing, cloth or jet. Concentration level depends upon the dirt of the surfaces. However, for general guidance concentrations are between 5 and 25 %.

It should be stored and applied at room temperature
