

FDX 442 A

Product code: 265406301

Wire drawing oil

This product is an EP fortified fluid specially formulated for aluminium wire drawing. The synergistic combination of EP additives, lubricity and polar compounds make it especially suitable for obtaining high efficiency and performance. It is chlorine free.

Benefits & Advantages

- Chlorine free
- High wire section reductions
- Increased seizure risk control
- Minimum wear coefficient
- High film strength
- Enhanced wire finishing
- No staining
- Longer Tool Life

Typical Performance Data

Typical	Value
Appearance	Oily liquid
Colour	Amber
Density @ 20 °C, gr/ml	0.89
Viscosity @ 40 °C, cSt	95-115
Flash point, °C	180
Pour point, °C	-5

All performance data on this Technical Data Sheet are indicative only and can vary during production.
