

FOODMAX GEAR EXTREME 680

Product code: 263502501

Food grade synthetic gear oils

Foodmax Gear Extreme 680 is based on polyalphaolefins (PAO) and esters that provide a great lubrication. Due to its EP additives and high viscosity index offer an excellent service under severe loading conditions and extreme temperatures.

These products are food grade premium performance oils for all kind of gears, gear boxes, differentials and industrial equipment.

Performance level
